

**ALLEN COUNTY CODE TITLE 17
ON-SITE WASTE WATER MANAGEMENT
DISTRICT**

**ARTICLE 3
PROVIDER QUALIFICATION**

17-3-1 Chapter 1: Purpose

17-3-1-1

The Allen County Onsite Wastewater Management District provider qualifications are established in order to provide qualified service and maintenance for members of the District.

In order to comply with the requirements of the Indiana Code, the Onsite Wastewater Management District and various Indiana regulatory bodies, individuals and entities wanting to provide maintenance, service and/or reports as required by ACC 17-2-7-1 to District members must be qualified through the registration process offered in Allen County Code 10-4-5.

17-3-2 Chapter 2: Registration

17-3-2-1

No person or entity (the "Provider") shall construct, install, replace, alter, modify, test, certify or repair ("Services") any onsite wastewater management system unless said Provider is then currently registered with the Fort Wayne-Allen County Department of Health (the "Department") as an installer. Application for registration shall be on forms provided by the Department.

17-3-3 Chapter 3: Violations

17-3-3-1

Any Provider who is, after hearing before the District Board, found to have materially misrepresented the status of any wastewater system, either intentionally or negligently or knowingly performed Services while not registered as required by this Ordinance, may be barred from performing Services for members for one year. Upon a second violation, said Provider may be permanently barred. Said hearing shall be conducted in accordance with the general procedural requirements for administrative hearings under Indiana law.
