

Core Values

Diversity

We value the range of human differences and invite the participation and contribution of all employees and residents

Accountability

We value fulfilling our obligations and taking responsibility for our actions and organizational outcomes

Responsibility

We value personal ownership of job responsibilities and following through on commitments

Fairness

We value the equitable treatment of employees and residents and the consistent application of rules and regulations

Growth

We value opportunities for economic and social growth in our communities and talent and skill development for our employees

Efficiency

We value spending our time and resources on the right things and doing them well
