

**ALLEN COUNTY CODE TITLE 19
ALLEN COUNTY STORMWATER MANAGEMENT**

**ARTICLE 3
ALLEN COUNTY, INDIANA STORMWATER TECHNICAL
STANDARDS MANUAL**

19-3-1 Chapter 1: Title

This ordinance and all ordinances supplemental or amendatory hereto, shall be known as the "Allen County, Indiana Stormwater Technical Standards Manual," may be cited as such, and will be referred to herein as "this Code."

19-3-2 Chapter 2: Purpose

The purpose of this Code is to provide technical standards for the design development of construction projects subject to Allen County Code 19-1.

19-3-3 Chapter 3: Adoption of Regulations by Reference

19-3-3-1 Where Published

Stormwater Technical Standards of the Allen County Surveyor as set out in this Code are hereby incorporated by reference in this ordinance and shall include later amendments to those Articles as developed by the Allen County Surveyor with effective dates as fixed therein:

19-3-3-2 Copies on File

Copies of adopted technical standards are on file in the Allen County Surveyor's Office.

Adopted by Ordinance #4-25-08-09 on April 25th, 2008.
